### SARS and SAPS seize R25,6m of narcotics

---

**Pretoria, 14 June 2010** – South African Revenue Service Enforcement and Customs officials carried out a joint operation with the South African Police Service Counter Intelligence division and the Asset Forfeiture Unit seizing narcotics with an estimated street value of R25,6-million.

The operation took place on Friday in Kelvin, Sandton, following a tip off from the public and resulted in the arrest of one individual and the seizure of almost 80kg of Methaqualone and 20kg of Ephedrine powders as well as 1000 Mandrax tablets.

A vehicle belonging to the arrested individual was detained by police officers as part of the investigation.
