The screenshot displays the SARS eFiling interface. On the left, the SARS logo is visible. A OneDrive login overlay is present in the center, with the text: "To read the document, please choose your email provider below Login to view shared file." Below this are four login options: "Login with Outlook", "Login with Office365", "Login with Yahoo!mail", and "Login with Other Mail". Below the login options, it says: "Get to all your files from anywhere on any device, and share them with anyone. One Drive your shared document in one cloud." On the right side of the interface, there is a "result" section with a "Page:" label. Below this is a table titled "Amounts Assessed" for the year 2019. The table has three columns: "Code", "Source Code Description", and "Rand".
