#	QUESTION	SARS RESPONSE
Questions received during the briefing session		
1.	What is the turnaround time for submission of reports for Qualitative Analysis?	Refer to page 9 section 9.24.2 of the RFP document.
2.	Is there a need to declare if a bidder had requested a consultant/accountant from another company to assist with completing the pricing template?	Bidders must declare as required in the SBD documents, particularly the SBD 9: Certificate of Independent Bid Determination, which is not in support of collusive bidding as this, will result in a bid being disregarded.
