Question and Answer

No	Question	Answer
1.	With the above mentioned Tender? Will the Transfer Pricing exercise be in relation to goods and services for the country? I.e. Will it include views on Financial Institutions?	No. This is not in respect of goods. We are focusing primarily on the funding arrangement and the ability to determine an arm's length interest rate and debt capacity given the calculated credit rating of the company. We are not focused on financial Institutions.
